Sir,

With reference to your letter No.G.3236/G.M.69-11-21 dated 4th December 1911, enquiring whether there is any objection to the proposed closing of the Branch Post Office at Kodihalli, Kankanhalli Taluk, I have the honor to state that from local enquiry it is ascertained that the Post Office at Kodihalli, has been of great convenience to the residents of the place and to those living in villages around it. The village itself which is in close proximity to His Majesty's -- territory, is fairly a big one, centrally situated and is also a Hobli-quarter.

2. These considerations combined with the fact that there is an elementary school in the village, recommend themselves most favourably for the retention of the Post Office, especially as the services of the school master may if need be, be utilized for postal transactions as is done in several -- branch Post Offices.

3. I am therefore of opinion, that to close the Post Office for want of a suitable agent, would be thus to deprive the public of a greatly appreciated benefit, and I request you will be so good as to address the Postal authorities for the retention of the office in the interests of public service.

I have the honor to be,

Sir,

Your most obedient servant.

Deputy Commissioner.
